

"Gheorghe Asachi" Technical University of Iasi, Romania
4th International Conference of the Doctoral School
19-21 May, 2021, Iasi, Romania

*Excellence in Doctoral Studies through Innovation,
Convergence and Interdisciplinarity*

At its fourth edition, the International Conference of the Doctoral School at the "Gheorghe Asachi" Technical University of Iasi (TUIASI) aims to provide PhD students of the Doctoral Schools from Technical Universities in Romania and abroad with a favorable framework for communicating the results of their research, exchanging ideas and initiating new collaborations, refine their theoretical and methodological approaches, encouraging presentation and continuous development of interdisciplinary research. The three days conference (19th-21th of May, 2021) consist of five panel sessions, where PhD students can present and discuss their research papers. The program of the conference will also include a number of plenary presentations held by prestigious professors from universities with which TUIASI has close collaborations.

The papers proposed by the PhD students will have PhD supervisors' recommendation and will be written in English. The students will present their papers in Romanian or English, and the accepted papers will be invited for publication in Bulletin of the Polytechnic Institute of Iasi.

Conference sections:

1. Computers and information technology; Systems engineering
2. Chemistry; Chemical engineering; Environmental engineering
3. Civil engineering and installations
4. Electrical engineering; Energy engineering; Electronic engineering, telecommunications and information technology
5. Mechanical engineering; Industrial engineering; Materials engineering; Engineering and management
